Bethenny Frankel at the Renaissance New York Times Square Hotel's R Lounge on Tuesday

➤ “Bethenny Getting Nasty?” On Tuesday, **Bethenny Frankel** took time out of unveiling a collection of “Mommy Must-Haves” for Drugstore.com to send a verbal colonic to former “Real” New Jersey housewife **Danielle Staub**. At a reception at the R Lounge in the Renaissance New York Times Square Hotel, the “Bethenny Getting Married?” namesake challenged the former “Real” N.J. housewife’s claims that she’s developing her own show, adding: “I’ll bet everything I hope to be that she will not have a spinoff on Bravo.” Cleanup on aisle five!
